

**Subject:** FDIC and NCUA Insurance Limit Change – New Camera Logo Signage

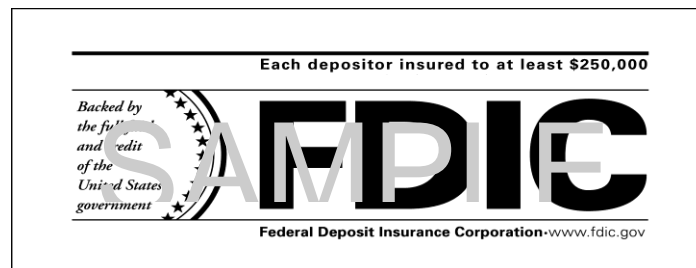

**Hardware:** IRIS Sign Cameras

---

**SUMMARY**

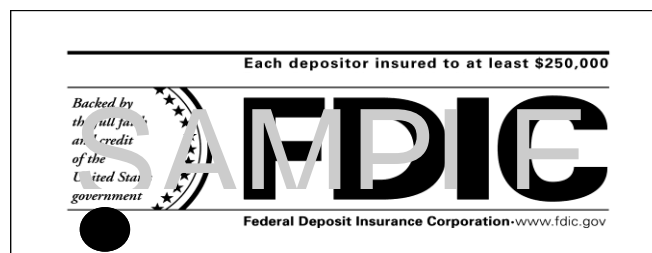

As a result of the changes in the insurance coverage by the FDIC and NCUA, overlay decals and/or acrylic lenses are available from IRIS to update Sign Cameras installed at your customer sites. Replacing the entire lens requires disassembly of the camera housing. There is no need to disassemble the housing to install the decal. Images shown below are not to scale. Order by P/N:

This is used with cameras that have the two-piece lens in the housing.

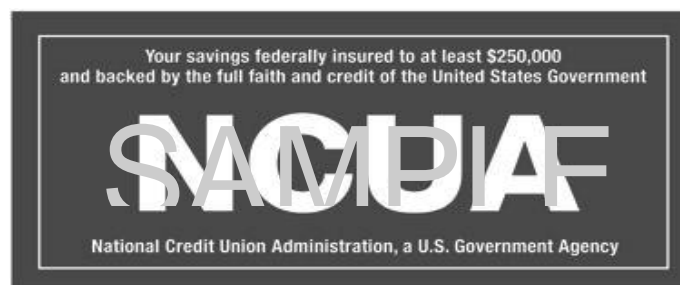

"New" Style Camera, Decal - **P/N 101-12D** (overlay decal)  
"New" Style Camera, Lens - **P/N 400-137-03** (silk-screened acrylic)

This is used with older cameras that have the one-piece lens in the housing.

"Old" Style Camera, FDIC Decal - **P/N 101-120SD** (overlay decal)  
Camera "aperture" is within logo field.

This is used with cameras that have the one-piece or two-piece lens in the housing.

NCUA Decal - **P/N 101-14D** (overlay decal)  
NCUA Lens - **P/N 400-189-01** (silk-screened acrylic)
